

Wednesday 24th August 2022

We, the co-ordinators, trying to get fibre-optic cable (FTTP) installed to all eligible properties in Llanfihangel Aberbythych Community Council area are delighted to announce that **DCMS** (Department for Culture, Media and Sport) has **approved funding**, for submission made by Broadway Broadband

This makes it even more important that the level of interest reaches and preferably exceeds the number required. Please ask your friends and neighbours in the Llanfihangel Aberbythych Community Council area to register their interest.
